## 2024 Student Calendar Entry Contest

### *"The Three R`s: Reduce, Reuse, and Recycle"*

Protecting our environment is more important now than ever. By putting the "Three R`s" into practice, we can cut down on the amount of waste that is produced and help save our water resource. The "Three R`s" are: reduce, reuse, and recycle. This year, the theme encourages students to think about how they can apply the "Three R`s" and represent them in an artistic way. The 13 winners, 3 from each of the four age categories and one cover page winner, will be featured in our upcoming 2024 calendar that is handed out to Beckley Water Company customers. **The school with the most entries will receive a grand prize!**

### Contest Rules

Entries must be drawn in Landscape orientation on 8 ½ x 11" size, include a completed entry form and be postmarked by June 1, 2023. Please submit your original drawing showing how you can reduce, reuse, and recycle.
